AADIL AZWER

UNDERGRADUATE

OBJECTIVE

As a passionate and energetic college student pursuing a degree in BSc (Hons) Computing at Coventry University UK. My previous work experience as an intern at Hayleys Advantis, and I'm looking for a position as a UI/UX Designer where I can use my technical expertise and creative design abilities to produce user-friendly and engaging digital experiences.

EXPERIENCE

2021 June - 2021 December

Hayleys Advantis Limited

Intern

- UI/UX Designing (High Fidelity prototyping).
- Developed front-end webpages using HTML/CSS/Bootstrap.
- Developed web application using ASP.NET Core / Dapper.
- Database Designing and development using Microsoft SQL Server.

PROJECTS

2022 December

Zero Waste Management System Case Study

- Conducted research through questionnaires to understand what problems users face handling waste.
- Creating personas, empathy and journey maps by understanding the user.
- Creating user flow & information architecture diagrams in order to map out what conditions users would face while interacting with the application.
- Wireframing the application and creating the visual design.

2023 January

Elevate Technologies Web Design 2023

- Creating visual design of the website.
- High Fidelity prototyping.

EDUCATIONAL QUALIFICATION

Saint Aloysius College Galle

G.C.E Ordinary Level 2015

- 2A, 2B, 3C, 3S

G.C.E Advanced Level 2018

- 2S

National Institute of Bussiness Management

Diploma in Computer System Designing 2019 -2020

- GPA: 3.52

LANGUAGE PROFICIENCY
